**CHRIS DUH**  
+ CREATIVE

# Welcome to Chris Duh +CREATIVE!

From the moment I started sketching race cars as a young boy, I knew I was destined to be an artist. My journey led me through years of studying and honing my skills in drawing, painting, and sculpting.

A significant chapter unfolded during a remarkable 33-year tenure at Hallmark, where I had the privilege of designing, illustrating, and developing countless artistic assignments.

**Now,** as the founder of Chris Duh+Creative, I lead a passionate team of artists, designers, and engineers with big hearts and even bigger ideas. They're the true "plus" at Chris Duh+Creative.

Together, we craft imaginative art experiences that leave a positive, lasting impact. What sets us apart is not just the creativity and meaning infused into our work but also our commitment to originality and affordability.

We make the extraordinary accessible, and we can't wait to bring your experience to life!

# Our Specialties

## Donor Recognition that Sparks Giving

Our donor experiences are not only imaginative in the way they recognize donors but also effective in sparking generosity. We pour our passion into crafting one-of-a-kind, story-driven moments that are impactful.

## Public Art that Celebrates Community

Our public art pieces engage and celebrate the community by sharing art in city parks, libraries, hospitals, and other public places. Our passion manifests in playful, lighthearted, bold artwork that inspires joy.

## Playful Spaces that Inspire Creativity

Our 30 years of experience began with a love of creating interactive, playful environments that inspire creativity in children (and adults, too!) Our designs are fueled by a commitment to quality, durability, and pure fun.
